### Online Zoom Session

The deadline for filing tax returns to the U.S. Government Internal Revenue Service (IRS) and to the Massachusetts Department of Revenue (DOR) is quickly approaching (April 15, 2021). The International Committee is pleased to assist our international community by sponsoring this seminar/workshop to help you in meeting your tax responsibilities for the past year, 2020.

**L. Lisa Hong** is licensed in the Commonwealth of Massachusetts as a certified public accountant. She lives locally and has been helping with this seminar for many years now, and her expertise in US foreign national income tax issues is invaluable. We are very fortunate to have Lisa available again this year.

This seminar will assist you as a newcomer living and working in the United States in understanding your tax responsibilities. Lisa will present a brief overview followed by a virtual round-table type of discussion where questions and issues can be discussed and addressed openly.

If you do have any specific questions or concerns about your tax responsibilities that you would like Lisa to review before the meeting, please submit questions [HERE](#).
