### Information for completing this form. Read thoroughly:

Use the 'Save & Return' feature to be able to come back to your application without starting over.

#### Application is due February 10, 2023 at 11:59PM ET

You will receive an email confirmation when your application is received. This email will include a copy of your submission (PDF).

#### Letters of recommendation are due February 17, 2023 at 11:59PM ET

Request for letters of recommendation will be sent automatically upon submission of this form.

The request for letters will not be sent until your application is completed and submitted. You should follow up with your recommenders to ensure they received the email link.

You will receive a confirmation when each of your letters of recommendation have been submitted. You will not see the content of the recommendation.

### GENERAL INFORMATION

First Name \*

Last Name \*

Preferred Name (Nickname)

Email address \*

Phone Number (numbers only) \*

Permanent Address (# Street name, [Apt #], City, State, Zip) \*

Gender (for room assignments only) \*

- Female  
 Male  
 Non-binary/non-conforming  
 Prefer not to respond  
 Prefer to self describe

Are you a US Citizen \*

- Yes  
 No

How do you identify racially and/or ethnically? \*

How did you hear about PEP? (Select all that apply) \*

- Faculty member/advisor  
 PEP Alumni  
 E-mail  
 Web search  
 Flyer  
 Other

Have you previously applied for PEP? \*

- Yes  
 No

### ACADEMIC INFORMATION

Class standing (at time of application) \*

- Freshman  
 Sophomore  
 Junior  
 Senior  
 Received Undergraduate Degree

What college/university do you currently attend (or received your undergraduate degree from)? \*

Expected date of graduation/graduation date (MM/YYYY) \*

What is/was your undergraduate major? \*

Who is/was your faculty advisor? \*

Faculty advisor's email \*

Faculty advisor's office phone number (numbers only) \*

### RESEARCH INTERESTS

Mark all areas of research interest. You may list up to 5 more interests in the 'other' option (please separate them with commas). \*

- Physical Oceanography  
 Chemical Oceanography  
 Marine Geology  
 Marine Biology  
 Microbiology  
 Engineering  
 Resource Management/Policy  
 Fisheries Science  
 Ecosystems Management  
 Social Science  
 Policy  
 Other

If you participate in the 2023 program, the PEP staff will match you with a research mentor and you will do a research project at one of the partner institutions. Review the [Potential Projects & Mentors](#) for the 2023 PEP Applications.

#### Note:

PEP does not guarantee to match you with any particular mentor, but the staff will take your interests into account when making the student/mentor matches. These questions are optional - you do not need to indicate a desired project.

Describe your interest in this format: I ranked [scientists name(s)] as my first choice because...

Describe your interest in this format: I ranked [scientists name(s)] as my second choice because...

Describe your interest in this format: I ranked [scientists name(s)] as my third choice because...

### SHORT/LONG ANSWER QUESTIONS

We encourage you to proofread to ensure your answers are free of grammatical and spelling errors.

The review committee would like to know what you have done in previous summers, though previous research experience is not required. Please list any previous summer experiences, activities or jobs, and also briefly list any activities or interests you pursue in school or in your community. \*

What do you plan to do when you graduate – in the first year or two after graduation, and over the next ten years? \*

Complete the following sentence: At the end of the summer, I will be satisfied with the Program if. . . \*

Complete the following sentence: At the end of the summer, I will be disappointed with the Program if. . . \*

PEP is looking for students who can be productive, contributing members of a student group and research laboratory team. What are one or two personal traits or life experiences you will bring to add value to the 2023 PEP cohort? \*

0/350 words

Write a personal statement telling us about yourself, your abilities, interests, and your reason for wanting to participate in the 2023 Woods Hole PEP cohort. If you have a research project or interest in mind, explain briefly how the project relates to your educational goals and will broaden your understanding of environmental problems or issues in marine science. \*

0/750 words

Upload your CV or résumé here \*

Upload your unofficial transcript(s) here (up to 4)

The next page is: Letters of Recommendation [and application submission]

### LETTERS OF RECOMMENDATION

You will need 2 letters of recommendations for the application.  
**Letters are due Friday, Feb 17 @ 11:59 PM ET.**

Letters of recommendation should be from faculty or research supervisors who are familiar with you, your research, work ethic, etc. Some examples are: lab supervisor/manager, work supervisor/manager, professor, etc.

Your recommenders will automatically receive an email to submit their letter when you submit this application. Follow up with your recommender to ensure the email did not go to their spam box.

You will receive a confirmation email when your letter(s) of recommendation have been submitted. You will not see the content of the recommendation.
