

Need in two
out -> exit
important!

Less car
parking -
to
Yes
sandy picnic
area

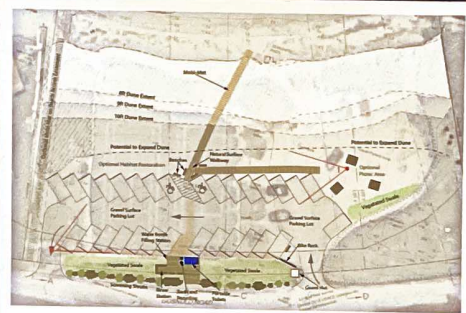

OPTION 1

EXISTING CONDITIONS

+ picnic area
(for kids)
+ one way in and
one way out

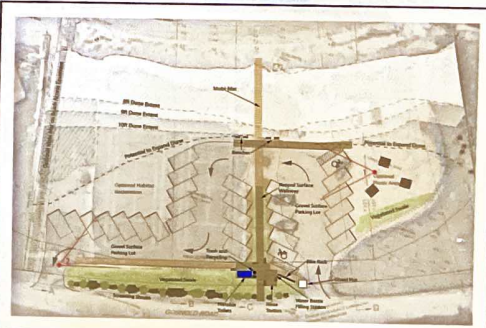

Just ↑
do
it!

OPTION 2

Park
for kids
and
quiet
engagement

forget
parking for
cars

OPTION 3

Would be
helpful to
mention
Shoreline
Beach

Concerned about
the poor water
quality in the marsh
around Mill Pond due
to less of tidal water
flow

+ dune
+ coherent
parking
+ picnic area

Ideas for neighborhood collective actions

Walk around mill ponds with ecosystems scientist

Use smart grid to accelerate monitoring of water, air etc

Create BACKUP communication systems (NOT GRID DEPENDENT)

Build dams a la Egypt (Ancient)

Have WHOI, NSF Fisheries, NOAA etc be prepared + engaged. Get SSA in line!! More projects to New Bedford

Make vulnerability maps of the village - Who needs help in which conditions?

Start or expand mutual aid efforts

share resources on household emergency preparedness
